DESCRIPTION

On the second floor of the Fenestral residence, this charming apartment (91 m² according to the EPC) is ready to welcome its new owner. With two terraces, a spacious living area and a well-designed layout, it offers the perfect place to relax and enjoy everyday comfort.

Upon entering, you are welcomed by a generous hallway leading to the bright living room. Thanks to the large windows, the space is filled with natural light, and the south-facing terrace is ideal for enjoying the sun, a coffee or a good book.

The kitchen is separate and provides plenty of space to cook comfortably, whether you prefer quick meals or more elaborate dinners.

The apartment features two full-size bedrooms, each with a pleasant atmosphere and enough space for a double bed and storage. The bathroom is practical and equipped with a washbasin and bathtub.

The second terrace, located on the north side, is a lovely spot to unwind in the evening. A private cellar is included as part of the apartment, offering convenient extra storage space.

A real added value is the closed garage box, available for sale separately at 30,000 euros.

The location is excellent: on the border of Uccle and Drogenbos, close to shops, schools, public transport and green areas. You live here in a quiet environment while still being close to everything.
